

# National Disability Insurance Scheme (NDIS) in WA

## Information sessions

From Saturday, 1 July 2017 the NDIS in WA started rolling-out across Western Australia. In preparation for this, a series of information sessions are being held across Western Australia for people with disability, their families and carers.

As part of these series of information sessions, Senses Australia and the NDIS in WA are hosting sessions specifically for people who are deaf and hard of hearing, people who are blind or have low vision and people who are deafblind.

Auslan interpreters will be available on the day.

You can arrange a 1:1 session with a Senses Australia staff member to discuss your individual circumstances and the NDIS in WA. If you would like a 1:1 session you **MUST** book in advance.

To register for a workshop or a 1:1 session or for further information contact:
